ECO EXPO IV Sunday, February 5, 11 am – 3 pm

The hugely successful Eco Expo is back with dozens of exhibitors ready to show us how to treat our earth more gently with green products, materials, and services.

For kids and adults of all ages, there's something for everyone! Learn, eat, explore, or just visit with some really nice people.

As we work together with our fellow community leaders and congregations of all faiths to help save the planet, remember the proverb, "Treat the earth well: it was not given to you by your parents; it was loaned to you by your children."

The Eco Expo, a product of Temple's Environmental Task Force, is held this time of the year to correlate with Tu B'Shevat, the "New Year of the Trees."
